

Children's Support and Education Group

Children ages 5-12 who have been exposed to domestic violence

The Support and Education group is 6 weeks in duration and is held every Tuesday at 6:00pm with a new topic being addressed each week. The first week is an orientation for both parents and children.

Topics Include:

What is domestic violence? It's not my fault.

Good Touch, Bad Touch

Calling 911 and the Police

Safety Planning

My Feelings

Self Esteem

*** This is a closed group. Only children who have completed an initial assessment may attend. In the event that a child is a current client, this step will not be necessary. ***
